MAIN FEATURES																																		
24H Continuous Duty Motor																																		
Motor Thermal Protection																																		
Heavy duty chain drive with steel gears																																		
Energy Smart® + Automatic disconnection																																		
EPC Electronic Power Control																																		
Automatic Oiler																																		
Automatic Start Stop Electronic Eyes [E]																																		
Safety Stop for Open door/ Bag full with light signal																																		
Automatic Reverse

\*Capacity varies on supply power, weight, quality and grain of paper, operating temperature and blade lubrication  
 \*\*Speed calculated at 60 Hz as knife outside diameter x rpm

\*\*\* CD/DVD Dedicated Cutting Unit
