OPTIONS AVAILABLE

SUPER POTENTIAL POWER SYSTEM

Heavy duty chain drive with steel gears which offer reliability and resistance to wear.

TWO SEPARATE SETS OF CUTTING KNIVES

Two entry openings and two sets of cutting knives for the separate insertion and shredding of paper and CDs/DVDs/credit cards. Two integrated and removable bins to separate shredded paper from plastic shreds.

AUTOMATIC OILING SYSTEM

The Automatic Oiler eliminates the need to manually lubricate the unit. Not only does this protect the blades with anti-corrosive agents, but ensures maximum reliability, efficiency and capacity.
