MAIN FEATURES

High performance conveyor belt industrial shredder, designed for large shredding throughput and continuous shredding operations. Touch screen: all controls are activated by simply touching the panel. Kobra 430 TS can shred up to 130 sheets at a time, CD/DVD/Credit cards. Equipped with 24-hour continuous duty powerful motor without overheating and duty cycles. Carbon hardened cutting knives unaffected by staples and clips. Clear and strong see-through guards on both sides of the 430 TS gives the operator a complete and safe view of the shredding operation area. Integrated Automatic Oiler: it eliminates the need to manually lubricate the cutting knives for maximum cutting and power consumption efficiency. Adjustable removable trolley accomodating one bag of 470 litres or two bags of 235 litres.
